<sup>1</sup> You will earn 3 Avion points for every \$1.00 in Grocery, Dining, Food Delivery, Rides, Gas, Electric Vehicle Charging, Streaming, and Digital Gaming & Subscriptions Purchases you make with your RBC ION+ Visa credit card at merchants classified by Visa's "Merchant Category Code" (MCC). Depending on how certain merchants are categorized by Visa's "Merchant Category Code" (MCC), they may not qualify as an eligible MCC. Eligible MCCs are listed as follows:

- (i) "Grocery Stores and Supermarkets" (MCC 5411), "Drinking Places (Alcoholic Beverages) – Bars, Taverns, Nightclubs, Cocktail Lounges, and Discotheques" (MCC 5813), "Eating Places and Restaurants" (MCC 5812), "Fast Food Restaurants" (MCC 5814) are "Grocery, Dining, and Food Delivery Purchases"; Government liquor agencies and package stores that sell beer, wine and liquor do not qualify as part of the "Drinking Places (Alcoholic Beverages) – Bars, Taverns, Nightclubs, Cocktail Lounges, and Discotheques" MCC.
- (ii) "Service Stations (With or without Ancillary Services)" (MCC 5541), "Automated Fuel Dispensers" (MCC 5542), "Taxicabs and Limousines" (MCC 4121), "Local and Suburban Commuter Passenger Transportation, Including Ferries" (MCC 4111), "Electric Vehicle Charging" (MCC 5552) are "Rides, Gas & Electric Vehicle Charging Purchases". You will earn 1 Avion point for every \$1.00 on all other purchases (including pre-authorized bill payments) you make with your RBC ION+ Visa credit card.

Even though some merchants may sell Grocery, Dining, Food Delivery, Rides, Gas, Electric Vehicle Charging, Streaming, Digital Gaming & Subscriptions merchandise, purchases made at these locations may not necessarily qualify as Eligible MCCs if the merchant is not classified as such by Visa. Also, you may make a purchase at a merchant that is not classified as an Eligible MCC but is located on the premises of a merchant that is classified as an Eligible MCC, in which case your purchase would not qualify as an Eligible MCC. We cannot guarantee that any merchant, operating in whole or in part as a Grocery, Dining, Food Delivery, Rides, Gas, Electric Vehicle Charging, Streaming, and Digital Gaming & Subscriptions merchant, is classified as an Eligible MCC, and in no event will we be liable or responsible for any claims with respect to a Grocery, Dining, Food Delivery, Rides, Gas, Electric Vehicle Charging, Streaming, and Digital Gaming & Subscriptions Purchase made at a merchant that is not classified as an Eligible MCC. Avion points are earned on net purchases only; they are not earned on cash advances (balance transfers, cash-like transactions and bill payments that are not pre-authorized charges that you set up with a merchant), interest charges or fees, and credits for returns and adjustments will reduce or cancel the points earned by the amounts originally charged.

- <sup>2</sup> As a sole or joint owner of an RBC Signature No Limit Banking (SNL) account and the primary RBC ION+ Visa cardholder, the \$48 annual fee of your RBC ION+ Visa card will be fully rebated, every year, as long as your eligible credit card remains in good standing and you remain an SNL account owner. Additional cardholders (co-applicants and authorized users) do not qualify for the annual fee rebate, even if they are also owners of an SNL account. Only one credit card annual fee rebate per SNL account is allowed. Other conditions and restrictions apply. Royal Bank of Canada reserves the right to withdraw this offer at any time, even after acceptance by you.
- <sup>3</sup> Subject to credit approval. If you are either i) post-secondary student of any age, or ii) a non-student age 24 and under, and an owner or co-owner of an RBC Advantage™ Banking Account for students (“Eligible Student Bank Account”) and the primary cardholder of one of the eligible RBC Royal Bank credit cards listed below (each, an “Eligible Credit Card”), the annual fee of your Eligible Credit Card may be fully rebated, every year. Rebates that apply to eligible credit cards are (listed in order of highest standard annual fee to lowest standard annual fee):

Eligible Credit Cards	Annual Fee Rebate
RBC ION+ Visa	\$48
WestJet RBC Mastercard	\$39

For any other RBC Royal Bank credit card, regular annual fees apply as they are not eligible for a rebate. The annual fee of your Eligible Credit Card will continue to be fully rebated: i) until you close your Eligible Student Bank Account, or ii) until you turn 25 (provided you are no longer a full-time student), or iii) if you are 25 or older, until the Expected Graduation Year you have provided at the opening of your Eligible Student Bank Account. Thereafter, the annual fee will no longer be rebated. If, for some reason, the Expected Graduation Year you have provided at the opening of your Eligible Student Bank Account differs from the one you have indicated on your credit card application, the Expected Graduation Year you have provided at the opening of your Eligible Student Bank Account will prevail and be used for determining the expiry of this offer. If your Expected Graduation Year occurs after your 25th birthday, or you are turning 25 and are still a full-time student but have not yet notified us of your Expected Graduation Date, please visit a branch to ensure continuity of benefits pertaining to your Eligible Student Bank Account (proof of enrollment required). Additional cardholders (co-applicant and authorized user(s)) do not qualify for the annual fee rebate even if they are also owners of an Eligible Student Bank Account. Only one credit card annual fee rebate per Eligible Student Bank Account is allowed. If you already have an Eligible Student Bank Account, the rebate will be applied at the time you open your Eligible Credit Card account. If you open your Eligible Student Bank Account after you have opened your Eligible Credit Card account, the rebate will be applied at your next annual renewal and won't be applied retroactively. Other conditions and restrictions may apply. Royal Bank of Canada reserves the right to withdraw this offer at any time, even after acceptance by you.
